Refund Policy

Members who withdraw for whatever reason part way through a session or full season program are not entitled to a refund for that session or for any portions already paid for a full season programs. Any player resigning from the club must deliver written notice to the appropriate team manager. The Capital Wave Board will consider refunds in cases of medical leave. Requests for refunds must be made in writing to the Capital Wave President and include information from a physician indicating the medical condition. The date the President receives the written request for a refund is the date the Board will consider as when medical leave takes effect

Notes

Capital Wave will endeavor to cover all club costs through player fees alone, and will try to keep fees at a reasonable level, however there will may be budget shortfalls between fees collected and the costs associated with running the club. It is critical to our financial health that we have other sources of income. Capital Wave will do what we can to find grant money, but grants are often one-off, earmarked for specific purposes, and they are not guaranteed.

Additional notes

1. Fall, Winter and Spring Programs run September to November, December to February and March to June respectively. Fees are payable in advance for these sessions.
2. All competitive programs run September to June. Payment dates for full season programs are: September 1; November 1; January 1; and March 1.
3. For athletes joining during the year, fees will be prorated.
4. Should operations cease due to covid, refunds will be made based on operational requirements and time missed.
