Last update: October 15, 2020

All fees include the Safe Sport fee from Waterpolo Canada

**Refund Policy**

Capital Wave water polo programs are either sessional or full season programs. For sessional programs, fees are paid prior to the start of each session. Full season program fees are spread across four payments in the year. Members who withdraw for whatever reason part way through a session or full season program are not entitled to a refund for that session or for any portions already paid for a full season programs. Any player resigning from the club must deliver written notice to the appropriate team manager. See Additional Notes below for sessional and full season program fee payment dates.

**Notes**

Capital Wave will endeavor to cover all club costs through player fees alone, and will try to keep fees at a reasonable level, however there will be budget shortfalls between fees

collected and the costs associated with running the club. It is critical to our financial health that we have other sources of income. Capital Wave will do what we can to find grant money, but grants are often one-off, earmarked for specific purposes, and they are not guaranteed.

The Capital Wave board will consider refunds in cases of medical leave. Requests for refunds must be made in writing to the Capital Wave President and include information from a physician indicating the medical condition. The date the President receives the written request for a refund is the date the Board will consider as when medical leave takes effect.

**Additional notes**

1. Sessional Programs run September thru January and February thru June. Fees are payable in advance for these sessions. Sessional programs include: Splash Polo, PLAY! Water Polo and Adult.

2. Full season programs include Splash Polo, PLAY! Water Polo, Recreational, and Competitive U14, U16 & U19. Payment dates for full season programs includes: September 1; November 1; January 1; and March 1.

+ Fees may change without notice.
