

Capital Wave's 2nd Wave-A-Thon

Dear Family and Friends,

As a proud member of the Capital Wave (CW) Swimming & Water Polo Club, I will be participating in the CW Wave-A-Thon. This is a fundraising event where athletes and coaches will be swimming as many laps as they can in a given time and raising money for our club. This fundraising event will follow all of the current health and safety protocols to ensure we keep our athletes and coaches well.

Being a member of Capital Wave is very important to me and I am excited to be able to help my club continue to succeed even during the current environment. I am grateful for the coaches and volunteers that are working hard to provide a safe environment for me to be able to continue to participate in the sport I love!

Capital Wave is an incorporated not-for-profit water polo club that believes in creating a community that values family, physical activity, hard work, and personal growth. We believe in fostering self-discipline, mutual respect, acceptance, and tolerance among coaches, athletes, parents, and volunteers.

As a non-profit organization, most of Capital Wave's revenue comes from membership fees. Therefore, Capital Wave looks to additional efforts such as sponsorship and fundraising to help subsidize the cost of pool rentals, coaches, lifeguards, and equipment.

I am hoping that you will be able to sponsor me for this event.

You can pledge a flat amount or you can pledge an amount per length.

I will be emailing you after my swim, with the number of lengths I was able to complete!

Thank you for your support!
